SUNDANCER 320

Sea Ray®

COMFORT ELEVATED

The Sundancer® 320 combines the values of a cruiser and a bowrider in a brilliant package. It delivers effortless command and maximizes the use of onboard space in three entertainment zones. Spaces include a robust lounge area, an open cockpit with convertible seating and an expansive cabin. Ideal for day trips or overnight stays, the beautifully designed cabin features accommodations for four and relaxing interior spaces for escaping the elements. It's also available in an open coupe model offering a full windshield and standard side windows, and a coupe model offering a full windshield and full side windows.

SLEEPS FOUR

1) Speed determined by GPS. Fuel consumption based on total usage by engines. MPG computed from MPH and GPH. Range based on 90% of total fuel capacity.
2) The performance data shown is valid only for the specific boat tested and the conditions that existed when the test was performed. Many factors may affect performance, including but not limited to, installation of certain options; vessel loading and trim; weather and sea conditions; and engine, propeller, and hull bottom conditions. Sea Ray makes no guarantee whatsoever that this performance will be repeated on this boat at a later date and/or at any time on a similarly equipped boat.
