SDX 230 SURF

Sea Ray®

WAVES OF ADVENTURE

Get ready to dial up the thrills. The SDX® 230 Surf delivers dynamic performance and premium amenities to elevate every on-water adventure. It features an intuitive NextWave™ surf system powered by Mercury Marine® that generates rideable waves for wakesurfing and other watersports. In addition, the expansive bow and open cockpit offer comfortable seating for friends and family, while integrated storage keeps gear secure and organized. Blending power, comfort, and versatility, the SDX 230 Surf is built to unleash waves of fun.

1,040 lb / 472 kg

CAPACITY

12 people / 1,636 lb / 742 kg
Maximum: 1,636 lb / 742 kg

1) Speed determined by GPS. Fuel consumption based on total usage by engines. MPG computed from MPH and GPH. Range based on 90% of total fuel capacity.

2) The performance data shown is valid only for the specific boat tested and the conditions that existed when the test was performed. Many factors may affect performance, including but not limited to, installation of certain options; vessel loading and trim; weather and sea conditions; and engine, propeller, and hull bottom conditions. Sea Ray makes no guarantee whatsoever that this performance will be repeated on this boat at a later date and/or at any time on a similarly equipped boat.

AT A GLANCE

A NEXTWAVE™ SURF SYSTEM
For an exceptional wakesurfing experience, the boat features NextWave™ innovations, including a tapered transom design, a hard-tank ballast system, electric surf tabs and an intuitive user interface.

B WATERSPORTS TOWER
The electric folding watersports tower with an integrated Bimini top and surf tow points allows you to pull wakesurfers with ease.

C COCKPIT ENHANCEMENTS
The cockpit includes inductive charging stations (available with the Entertainment Bundle) and a table (available with the Comfort Bundle).

D ADJUSTABLE SEATING
The helm and port companion seats feature convertible backrests that transform them into aft-facing loungers.

E STARBOARD COMPARTMENT
The convenient starboard compartment can be used to store gear or upgraded to a head for uninterrupted boating.

F OVERSIZED BOW
The bow offers lounge-style seating and an integrated cooler compartment to store drinks and snacks. Choose the Comfort Bundle to add a teak table and filler cushion.

G BOW COMPARTMENT
The bow compartment provides anchor storage or can be upgraded to include a stainless steel four-step boarding ladder.

AT A GLANCE

A

SEAMLESS CONTROL

The helm is equipped with a dual Digital Dash for effortless captaining, including 9" Simrad® NSX® touchscreen displays with Mercury® SmartCraft® Connect.

B

FUSION® AUDIO

Listen to music out on the water with premium sound from the Fusion® stereo or select the Entertainment Bundle for a Fusion® Premier audio system.

C

CONVERTIBLE SUNPAD

Presenting a spot to relax, the sunpad features a backrest that folds down to extend the area.

D

AQUATIC ACCESS

The water is easily accessible from the swim platform with a manual submersible step and deck-mounted stainless steel four-step ladder.

E

OPTIMIZED STORAGE

Integrated storage optimized for space has been incorporated throughout the boat. A storage area under the cockpit bench seat keeps boards secure when not in use.

F

SURF POWER

To create rideable waves for watersports, the boat is powered by a Mercury® MerCruiser® 4.5L MPI ECT engine with a forward-facing Bravo Four S® drive and SmartCraft® Digital Throttle & Shift (DTS).
